Universal Law, they are incompatible with the Creator. You can't have both but in order to be permanently healed it means understanding how to align with God and changing to be in alignment with it.

Later on, Jesus found him (the man who had been restored to health) and said to him, "Remember, now, you have been cured. Give up your sin, or worse may not overtake you." (John 5:14)

Sin symbolizes a mistake against God, so this means, Change your thinking and get right with Universal Law so that you can stay healed.
