A Child's Wisdom

[Appearing in Issue #25. Order A Copy Today](#)

There s a Moody Blues album from the late 60s entitled To Our Children s Children s Children; my husband Tom and I used to listen to it frequently. Their songs reflected hope and vision for a new generation of social and spiritual change. When we were still kids, we would spend hours talking about our philosophy of life. One day in high school, we skipped classes and spent the entire day discussing how kids should be raised. Being kids ourselves, and still intimate with that perspective, we outlined some essentials.
